OFFICE OF THE DIRECTOR OF FOOD SUPPLIES IN MYSORE, BANGALORE.

Notification No. D2. 2147—44-45, dated 26th December 1944.

With a view to encourage the indigenous oil seed crushing industry which had been affected by the ban on exports of vegetable oils, and also to help the raiyats to get a fair price for their groundnut seeds, Government in their Order No. SD. 2908-C. 124-44-7, dated 25th November 1944, exempted groundnut oil from the general ban imposed on exports of all kinds of vegetable oils. This has restored the normal flow of trade in respect of groundnut oil and the oil seed crushing industry has now sufficient incentive for production of groundnut oil.

It is hereby notified for the information of the public that Hydrogenated groundnut oil and refined groundnut oil, which are required in very large quantities for State consumption and for which there is a very great demand locally, cannot be allowed for export outside the State and it should not be presumed that under the authority of the Notification of 25th November 1944 referred to in para 1 above, Hydrogenated groundnut oil and refined groundnut oil could be exported from the State without a permit.
